“But those who want to talk and tell,
And those who will not listeners be,
Will never hear a syllable
From out the lips of any tree.”

MARY CAROLYN DAVIES

“Whose trees might whisper secrets
grave, amusing, and profound.” The
Susquehanna pageant moves on from sea-
son to season, year to year, yet to the
“sentinels of Nature” that watch over
our lives, activities, and organizations,
the story is always old, forever new.—
“Of Susquehanna now we sing.”

DEDICATION

To RUSSELL GALT, Ph.D.

DEAN OF THE COLLEGE

In our third year at Susquehanna, we the class of 1912 through dedication, wish to share this edition of the LANTHORN with another in his third year here—Dean Galt, the man who to us personifies everything that is ideal.

ON September 9, 1940, one hundred and five green looking Freshmen arrived on the campus. After enjoying three days of comparative freedom during orientation activities, we were made to look even greener by the incoming Sophomores.

Along with our inexperience, however, we soon exhibited an unusual spirit of unity. Much to the consternation of the Sophs, we successfully maneuvered the annual "get-away." Prexy Jim Wert cleverly eluded the rankled Sophomores for most of one day. Other officers elected were as follows: Vice President, Rena Baker; Secretary, Jean Buffington; Treasurer, Lois Kramer. A still more amazing feat was the fact that the annual Soph-Frosh football game resulted in a 3-0 victory for the "greenies." Our class has also been well represented in all sports—both varsity and inter-mural, publications, clubs, and societies.

Although we have been at Susquehanna but a short time, we have already formed a love for our school and aim to uphold her standards and traditions in the years to come.

FRESHMAN ORIENTATION

ON September 9, a group of one hundred and five freshmen seated. All students agreed on one point—a series of placement examinations was not the most efficient way of making a freshman class feel at home. After the faculty had for two days busied themselves with discovering what we did and did not know, a group of seniors who had “stood the gaff” gave us a few helpful suggestions on adapting ourselves to college life.

Then they turned the sophomores loose! We found them no less capable of making us ill at ease socially than the faculty had been capable of embarrassing us mentally. When they had finished with us, there was not a freshman who was not thoroughly orientated.

Those first few days of college life will live long in our memories. They are moments that can never be relived. Upon returning next fall we shall consider it not only a duty, but a privilege, to perform with vigor our particular tasks as sophomores in the orientation program.

THERE is really no need for the sophomores to give an account of their history; everyone knows about *our* doings for the past two years. Good or bad, successful or unsuccessful, we've been here, and we've had a grand time doing it. Oh, it hasn't all been fun! No, indeed! We've had to do our share of work, too, for we realize that above all we came to college "to learn." We began our quest for knowledge in the fall of "39." As freshmen we certainly had to be able to "take it on the chin." For nine solid months the upperclassmen impressed upon our minds the fact that we were definitely inferior to them. However, this year the tables were turned; we sophomores had our first taste of the spoils of fortune—the freshmen had to take orders from us!

HISTORY

The week-end before the Christmas holiday of nineteen hundred and forty, we "outshone the sun" with the annual Sophomore Hop. The gymnasium was gaily decorated as a Snow Ball with the Christmas theme popping out here and there.

This year has quickly come to an end. The past is behind us; the future looks bright. Our only regret is the fact that all those beginning will not finish with the CLASS OF "43".

SOPHOMORE HOP

In genuine holiday fashion, the students of Susquehanna decked themselves in their best bibs and tuckers to go to the Sophomore Hop on the fourteenth of December. Bruce Bell furnished the music.

Choosing the winter and Christmas themes for their dance, the Sophomores cleverly called it the "Snow Ball." Clever, don't you think? The gym was decorated with huge snow drops, snow balls, stars, and several large trees appropriately trimmed with lights and snow. The orchestra played from a snow house made by the Sophs.

The success of the dance was proved by the unusually large crowd and by the favorable comments that followed. This dance was a "must" on everyone's social calendar. What a thrilling beginning for the holiday season. Thank you, Sophomores, for the beautiful dance, and much luck for your prom next year.

The Men's Student Council is made up of eight members, two men representing each of the three Fraternities and the non-Fraternity group on the campus. This organization has charge of the student government of the University, and exists by the authority vested in it by the faculty, and the administration. One of its usual functions is the orientation of the Freshman men. The censorship of their activities during their first few weeks on the campus is one of the most important purposes which the Council serves.

This year, increased activity on the part of this body has resulted in several valuable and opportune innovations which have brought considerable improvement with them. Among these is the plan of competitive decoration on the part of all dormitories, Fraternities, and other groups; this program proved very successful over the Homecoming week-end. A movement for this year's undefeated football team memorial is now under progress, sponsored by this Student Council.

Though the central purpose of this student council deals with the women's dormitories and its functions, the social affairs have become a part of this body's work also.

This year the twenty-eighth day of February was designated as "Sadie Hawkin's Day." The entire program centered about the exchange of feminine and male customs and even the most robust man became a "Lady for a Day."

For the second time in its gridiron history, Susquehanna University had an undefeated season this year. Coach Amos Alonzo Stagg, Jr., starting the practice period in September with a very pessimistic outlook for the coming campaigns, placed on the field one of the fastest, most powerful teams which the College has yet seen. Threatening injuries were ironed out in time to present a flashy backfield behind an experienced forward wall in the opening tilt of the year. Superb teamwork enabled the Crusaders to amass a total of 120 points for the season, as against 38 for their opponents. In first downs, the home team again outran its adversaries to the tune of 70 to 60. The Orange and Maroon also gained 1428 yards, as against 716 for its opponents.

UNIVERSITY OF BUFFALO

Susquehanna opened the season by cracking the Bisons for three touchdowns. Passes, Zeravica to Heaton netted two of these scores, the second taking place after John Matthews recovered a fumble on the Bison's 26. Wos made the final tally in the last period. Isaacs and Helm were instrumental in enabling the Crusaders to bring home the bacon, 20-6.

AMERICAN UNIVERSITY

Ability of the Staggmens to "throw on the Welsh coal" when it was needed enabled Susquehanna to come from behind a 13-7 handicap and take their second win, 33-13. Outstanding play by Wos and Helm, supplemented by a sensational 55-yard jaunt by Larry Isaacs were the headlines of this game.

SWARTHMORE

The Crusaders' trip to Philadelphia spelled "Waterloo" for the twelve-game winning streak of the Garnets. Behind a line which ploughed like a bull-dozer on the offensive and held like seven blocks of granite on the defensive, Steve Zeravica

and Jack Helm took turns in executing a relentless drive into enemy territory which culminated in a score by Zeravica. Heaton made the extra point. A fourth quarter threat by the Quaker City team was foiled when Sam Fletcher recovered Fred Reed's fumble on the Crusaders' 23. The game ended with the Orange and Maroon on the long end of a 7-0 score.

JUNIATA

Through snow and rain, and before a huge Homecoming crowd, the Crusaders and the Indians fought vainly to score on each other with the contest resulting in a stalemate, 0-0. The adverse weather conditions crystalized the campaign into a punting duel. The only real scoring threat by either team came in the third frame, when the Redmen attempted to make a field goal from Susquehanna's 20. This effort was smothered when Blair Heaton crashed through the defense and drove the ball holder for a fifteen-yard loss.

CITY COLLEGE OF NEW YORK

From this fracas, the Stagmen again brought home victory by overrunning the Lavender in a last period rally, 14-7. In the third period, Von Frank's end-around play set up the only home-team tally. Zuback's trek of some 50 yards with Heaton's conversion tied the board at 7-7. The next time the Orange and Maroon lads felt pay dirt was after a second non-stop flight by Zuback of some 40 yards, behind excellent blocking. Heaton again kicked the extra point. Outstanding in this fray were Zeravica, Helm and Zuback on the offense, while Fletcher, Campana and Heaton sparked the defense.

ALLEGHENY

Pay-off performances by Zeravica, Helm and Isaacs again enabled the team to return to Selinsgrove, victorious. In this sixth battle, Heaton split the uprights in three out of four tries.

MORAVIAN

Three thousand Homecoming Day rooters saw a determined Crusader aggregation face a powerful, swift Moravian outfit on University Field. At the outset, Susquehanna was the under dog, but not many minutes passed before it was evident that this was not the case. In the second period, Zeravica tossed the pigskin to End Blair Heaton who streaked twenty-three yards for a touchdown. The attempt for an extra point failed. The Greyhounds, with six overwhelming victories trailing in their wake, and with everything to lose, retaliated fiercely on land and in the air, but desperate as they were, they were still helpless. A thirty-yard run by Johnny Zuback almost resulted in another Orange and Maroon tally. The Moravians critically threatened in the last period when they failed to score from the Crusaders' 6. This triumphant upset practically cinched an undefeated season.

HARTWICK COLLEGE

To wind up a brilliant season, the Stagmen crashed through the Iroquois Warriors, 13-0. Zeravica scored first after a 46-yard smash off tackle. Sparkling performance by Stagmite Larry Isaacs was shown in an intercepted pass and a 45-yard run for the second score. Co-captains Greco, Fletcher, and Matthews, and Guard Campana all climaxed brilliant gridiron careers in this victory battle.

HISTORY

IT was in the Fall of 1938 that the class of '42 convened for the first time. A week of orientation activities, parties, receptions, and friendly hazing by the Sophomores, initiated us into our new roles as college men and women.

Most of us look back to our Freshman days and recall with some chagrin our thwarted "get-away." The gridiron tussle with the Sophomores left us again on the short end of a 13-0 score. However our Freshman Dance compensated for the previous disappointments, and through dramatics, athletics, scholarship, and music, we soon established our place on the campus.

Then came our Sophomore year, replete with shining stars at every point. In the football battle with the Freshmen, we trounced them 21-0, adding insult to their previous injury of an unsuccessful "get-away." Everyone remembers the '42 Sophomore Hop. We reached for the moon and caught it, making our "Star Dust" dance an unforgettable trip into wonderland.

Now in our third year, we continue to augment our feats of the past. Stellar players on the undefeated football team come from our ranks. Our Junior Prom, still in embryo, will live up to our established precedence, and our edition of the LANTHORN we hope will be enjoyed by everyone. We are proud to be members of the class of 1942, and through our strong bond of fellowship, hope to continue to be worthy sons and daughters of Susquehanna.

JUNIOR PROM

Seated, Left to Right—Brand, Heaton, Forney
Standing—Smith, Mayer

LAST year we built a stairway to the stars, gleaned some star dust and moonbeams, put them all together and presented our Sophomore Hop.

This year, as Juniors, the class of 1942 is planning a Junior Prom comparable to none. With talent and co-operative class work, under the direction of Eugene Smith, we are designing and making our own decorations. Music for the evening is in the hands of Jack Mayer; co-chairmen Blanche Forney and Blair Heaton have charge of tickets, and Betty Brand has selected the programs. Over it all presides Gus Kaufman, class president, and general chairman of the affair. It is truly the biggest event of this year, and once again '42 will come through as we have done in the past—on top!

FRATERNITY SENATE

The Fraternity Senate attempts to promote better understanding among the fraternities in that it is the fraternities' governing body. It is composed of the president and an honorary adviser from each fraternity, and the Dean as Chairman of the Senate. One member acts as President of the Fraternity Social Chairmen.

INTER-FRATERNITY BALL

You know, folks, it takes an inter-fraternity ball to start the season off with a bang, and that is exactly what happened on the nineteenth of October, nineteen hundred and forty. The Inter-Fraternity Senate of Susquehanna University sponsored a dance featuring the orchestra of Art Wendell. Naturally, it was a success. Everyone was back from summer vacations and ready to begin a new school year. Girls, in evening gowns of lovely nets, chiffons, and taffetas whirled by, adding color to the exciting occasion. The boys all in formal dress, looked scrumptious, too.

You're right. Twelve o'clock did come too soon, but there are many other fraternity dances. Keeping this in mind, you can imagine all the fun we have to look forward to. Yes, dances are wonderful!

BASKETBALL

Under the tutelage of Coach Stagg, the Crusader squad enjoyed the most successful season that Susquehanna has witnessed on the court in its 41 years of court competition. At the completion of the season an impressive record was "put in the books"; composed of twelve wins and six losses, an average winning of 66% of all games.

The first two games of the season saw Susquehanna riding high on the crest of a wave that was destined to make basketball history at Susquehanna University. Pottsville Branch of Penn State was swept away by the score of 71 to 23, and Gallaudet, soon afterwards met the same onslaught, suffering a 65 to 38 defeat. Templin, Ford, and Isaacs shared the honors in the first game and also the second, scoring 40, 28, and 21 points respectively for the two games.

To counteract this grand beginning, two defeats were suffered by the Crusaders at the hands of Moravian and Penn State. The Moravian game was nip and tuck throughout, and the final decision was not made until the last shot was fired, and Black Friday, the 13th, had taken its toll and in form of S. U.'s first defeat of the season. After trailing for two periods the Staggmens made a desperate attempt for victory, but despite the 19 points of Phil Templin and the 17 of Capt. Don Ford, Susquehanna University cause was lost due to the high scoring of Rangy McConologue, who led the evening's scoring with 22 points.

The Penn State cagers decidedly outclassed the Crusaders and took little time in showing their adeptness to keen shooting and all-around basketball skill by trouncing S. U. 72 to 34.

Back again on their home court the Crusaders encountered little trouble in taking into camp the Alumni, Scranton Keystone and Elizabethtown, scoring decided victories over all three. Elizabethtown was again the victim of S. U.'s lone twin victory of the season, being beaten severely in both games.

Invading the Greyhound gym, in the return match, the Crusader combine gained sweet, sweet revenge when they overwhelmed the strong Moravian five, by the score of 49 to 45. With this victory safely tucked away, Susquehanna, for the first time in many years has the upper hand over Moravian's Blue and Gray, scoring a victory in football, and splitting the basketball games.

After four consecutive victories Susquehanna's winning streak came to an abrupt end at the Davis Gym in Lewisburg. Bucknell commanded the lead from start to finish and was only threatened once in the third period when our heretofore off color offensive finally got into motion.

The Crusaders, sporting a new lineup, wasted little time in securing a lead over the stubborn Juniata Indians. Disaster almost befell the on-lookers when Capt. Leapold threatened to take his team from the floor, but after much controversy reconsidered. As usual S. U. was paced by Templin and Ford with 19 and 17 points respectively. Although unable to score more than six points Larry "Spider" Isaacs proved to be the Crusaders' sparkplug.

Ursinus was the next guest to go down to defeat in the Alumni Gym. The boys from Collegeville fought desperately and in the third period outscored the Crusaders, to narrow the lead to 2 points. However, in the last period our boys showed what they were made of and took the game into their own hands to eke out a 44 to 41 victory. It was in this game that Capt. Don Ford took it upon himself to score one half of S. U.'s total points.

After apparently taking the visiting Bucknell Junior College five far too lightly, the Susquehanna cagers had to fight desperately in the closing moments to walk off with their ninth victory. After building up a lead, the Crusaders carelessly squandered it until Blair Heaton's dazzling shots and devout determination set the game on ice.

Dickinson brought to Selinsgrove one of the fastest passing and breaking teams to enter the Alumni Gym this year. Seemingly, suffering from a bad case of jitters, the Crusaders at no time played up to par. Although the score was knotted eight times, the Red Devils finally fought their way to a 50-44 victory.

In the first half of the game with the boys wearing the "W" on their chests, neither team did much shooting but rather showed their skill in ball handling. However, in the last quarter the wearers of the Orange and Maroon really got "on the ball" and began to drop them in from all angles. Again Capt. "Arky" Ford and "Lanky" Phil led the team with 23 and 14 points respectively.

Again sparked by indomitable Blair Heaton, who made 11 field goals and 3 fouls, the Crusaders swept away Drexel Tech at Philadelphia. After the score was tied in the first 8 minutes, the visitors played "heads up" ball and were not severely threatened.

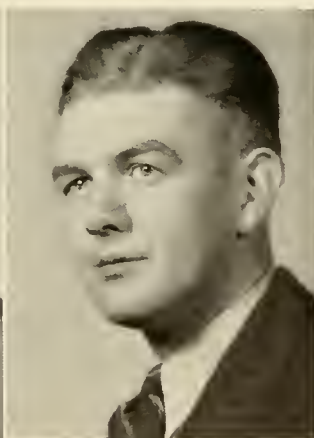

At this time Susquehanna made a stab at international sports, by playing host to the National University of Mexico team. To the shocking surprise of many spectators in the Alumni Gym the Crusaders were handed their fifth set-back. The final period proved to be too much for the Stagg machine as Diaz, displaying uncanny ability in passing gave his mates that extra push and try as he may by pushing his mates to the limit "Arky" Ford's attempt was all in vain as the gun sounded the fifth defeat of the Orange and Maroon.

Captain Don Ford, diminutive forward, and Jim McCord, clever back-courtman performed for the last time in S. U.'s court colors at Juniata where the Crusaders were nosed out in an overtime period, the final count showed the Indians in possession of a 48-46 margin.

The Crusaders will miss the graduating lettermen but they leave behind them a nucleus, which, combined with a strong Junior Varsity should improve upon the new record established this year.

For the student who is interested in any one of the three fields of science for which the Biemic Society is named, this organization provides the opportunity to become better acquainted with the topic in which one might be interested. Things of interest in the present-day world, such as industry, war, and domestic problems, where science might be involved, are brought to the attention of the Society. Outstanding speakers are brought before the group, places of interest are visited, and group discussions are held.

The Business Society has been formed in order to provide means to discuss matters of common interest for students of finance, management, accounting, marketing, economics, and the teaching of commercial subjects in secondary schools.

The society holds monthly meetings. All students who have commercial education or business administration as majors are eligible for membership.

Tau Kappa Alpha is a national fraternity of over a hundred chapters throughout the United States. It was established on the campus for the purpose of stimulating an interest in speech and public speaking among the students. Membership into T. K. A. is indeed an honor for those who are fortunate enough to make it. Through the establishment of such an organization on the campus, it is hoped that the students will take a more active part in the field of speech on our campus.

Pennsylvania Gamma chapter of Pi Gamma Mu is a national, social science, honor Society of Susquehanna University. Membership may be attained through election by the faculty members of the chapters. The members must manifest interest in social science studies, with an average of "B," be of good character, and have a satisfactory general scholastic standing.

The purpose of Pi Gamma Mu is to provide a better understanding of human relationships.

Monthly programs include motion pictures, lectures by distinguished guest speakers, surveys by students, and discussions by all members of varied topics foremost in modern thought.

Meetings take place at professor's homes, each meeting delightfully concluded by the faculty hosts serving refreshments.

This year's program included an illustrated lecture on Pennsylvania scenery, discussion of the relief problem, speeches on propaganda, Pan-Americanism, and other educational topics.

AS WE look back on September thirteenth of nineteen hundred and thirty-seven, we can scarcely believe that four years have passed since the class of '41 arrived on the campus. In that first year we adapted ourselves to life at Susquehanna under the supervision of the "all-powerful" sophomores. With regret we recall the unsuccessful attempt of our "get away," and our defeat in the freshman-sophomore football game. However, our Freshman Dance and fraternity and sorority affiliations were the high lights of that first year.

With our sophomore year came the chance for us to avenge ourselves on the freshman by squelching their election and outscoring them in the traditional football game. Our "Soph-Hop" wound up the year with a bang!

By our junior year most of us found our places in particular fields of study and many of us found positions of responsibility in extra-curricular activities. Without doubt, our Junior Prom was the social event of the year. Our LANTHORN, of which we are very proud, was our last contribution that year.

Now that we are seniors, we recognize the many ties of friendship which we have made here at Susquehanna. Naturally, we look toward graduation with some remorse, and yet, with the preparation we received during our college life, we are eager to take our places in the world. In leaving we wish to thank all those who have helped us to enjoy and profit from life at S. U. Our last hope is that the spirit of the class of '41 will remain and help to savour our Alma Mater for the benefit of those who follow us.

SENIOR SNAPS

ALUMNI ALBUM

WHO'S WHO

MARION BOYER

FAITH HARBESON

ELSIE HOCHELLA

FLORENCE REITZ

When the faculty considered the whole senior class in search for members for *Who's Who in American Colleges and Universities*, they voted favorably for four girls. The present senior girls selected on the basis of scholastic records and outstanding work in extra-curricular activities are:

MARION BOYER—outstanding work in Commercial Education and the Business Society, she is the girl who does her outside reading for history during the summer.

FAITH HARBESON—president of S. A. I.

Have you ever heard her at the height of her range?

ELSIE HOCHELLA—especially known for her excellent ability as a pianist and her perfect pitch. When Elsie starts rolling those big, brown eyes and fluttering those long lashes, beware!

FLORENCE REITZ—We remember her as the girl who did such excellent work on the *Hi Lastmors*. Although her heart is at Gettysburg, we can always depend on Flo when there is a difficult job to be done.

JOSEPH PASTERCHIK

PAUL SHATTO

HARRY THATCHER

MICHAEL WOLF

The men whom the faculty voted as desirable for members for *Who's Who in American Colleges and Universities* were selected because they were outstanding in (1) character, (2) scholarship, (3) leadership in extra-curricular activities, and (4) possibilities of future usefulness to business and society.

JOSEPH PASTERCHIK—Joe is a straight "A" student. He never wastes a minute. When he's not studying or playing the flute, he's taking new courses at Penn State.

PAUL SHATTO—As editor of the '41 LANTHORN Paul went into hiding last year only to be seen in the Theater Guild performances. Besides, Paul also knows how to handle a tennis racket!

HARRY THATCHER—We hear that the editor of *The Susquehanna* got little sleep this year. But comes the spring, he gets his sleep—for the two mile!

MICHAEL WOLF—Here is an example of the handsome, silent type. But what we would give to learn what goes on in that brain of his!

First Row, Left to Right—Mitman, Reitz, Miller, Yoder, Heaton
 Second Row—Williamson, Thatcher, Dr. Dunkelberger, Dr. Ovrebo, Grothe, Miss Jensen
 Third Row Unangst, Hoover, Heckert, Walsh, Hansen

The Student Christian Association, formed in 1921 as a union of the former Y. M. C. A. and Y. W. C. A., is a vital organization on the campus. It skillfully guides the freshmen through orientation. It sponsors student vespers, chapel exercises, and evening discussion groups led by students and well known men. The annual Christmas Caroling tour of Selinsgrove is an event looked forward to by the students. The S. C. A. has done much to further wholesome recreation on the campus.

This organization is the connecting link between the three sororities at Susquehanna, and it strives to bring a better understanding and greater co-operation between the sororities. The council is composed of nine members, the president, vice president, and one other girl from each sorority. The group meets once a month at which time they determine policies for regulating freshman rushing, and make plans for the teas, out-door rush hikes, and the four dances which are given annually by the sororities under the guidance of this council.

Our life at Susquehanna through the years is a continuous story of classes, activities, sports, friendships, and organizations. Many of the highlights are forever recorded in our minds; however, a written account serves to freshen and keep alive these memories.

It is with great pride, that we the class of nineteen hundred and forty-two, present this forty-third edition of the LANTHORN, and we earnestly wish that all who read it will feel with us, our great love for the school which means very much to us.

SYMPHONIC ORCHESTRA

This splendid musical organization creates a deep interest in instrumental music as well as orchestral etiquette and routine. It presents a repertoire of choice literature, and those participating experience an enriching musical culture.

An eminent soloist is presented with the orchestra each year as an outstanding feature.

SUSQUEHANNA BAND

The Susquehanna Band gives students splendid opportunity to enjoy the better type of music in a specialized field.

The marching band offers schooling in drill, routine, and intricate maneuvers, while the concert band affords studies in the best type of literature for or adopted to the Concert Band.

EXECUTIVE COMMITTEE

PHILIP BERGSTRESSER BLANCHE FORNEY CLYDE SECILER

Secretary-Treasurer - - - - - LOIS DAVIS

Publicity Manager - - - - - PIERCE A. CORYELL

Adviser - - - - - WALTER B. KELLEY

The Susquehanna Theatre Guild was organized in 1936. Although young in experience it has progressed rapidly doing such shows as "Stage Door," "It Can't Happen Here," "First Lady," "Kind Lady" and other Broadway hits. The acting, lighting, stage craft, make-up, costuming and all other phases involved in dramatic productions are managed by the members of this organization.

WOMEN'S ATHLETIC ASSOCIATION

OFFICERS

<i>President</i>	- - - - -	MARION CROMPTON

 Standing Griesemer, Bauman, Schweitzer, Miller, Fenner, Hoover, Crow, Williamson, Pensyl, Williamson, Cox, Chamberlain, Schwenk, McWilliams, Welch, Galt, Bowers, Krundholz, Hansen

The Women's Athletic Association was established in order to create more interest and sportsmanship among the women at Susquehanna University. Anyone of the girls at S. U. is eligible to join W. A. A. when she has earned two hundred and fifty points, made by participating in the various sports. Her membership is then retained if she is able to earn at least two hundred extra points a year. Seniors, juniors, sophomores, and freshmen are all together in this organization, having a common interest in mind—*True Sportsmanship.*

WOMEN'S SPORTS

HOCKEY PLAY DAY

Every year there is one day set aside wherein the girls from the different schools get together and have a rollicking good time. This day is known as "play day." The fall of nineteen hundred and forty brought with it S. U.'s turn to act as hostess to the girls from Cedar Crest College, Lebanon Valley College, and Shippensburg State Teachers College. This day full of "hellos," hockey games, luncheons, teas, and "so-longs" ends all too quickly for this group of sport-minded women.

BAND FESTIVAL

BAND FESTIVAL

Each Spring the campus becomes alive with young musicians, guests of Susquehanna at the annual All Master High School Band Festival. First ranking musicians representing High Schools throughout Pennsylvania, meet to enjoy three days of clinics, practices, and concerts.

May 1, 2, 3, are magic days of 1941. Under the directorship of Elrose L. Allison, founder and conductor, the festival is organized and presented. Guest Conductor for this season will be the eminent band master, Edwin Franko Goldman. Angel Dellbusto, first bassoonist of the Goldman Band, will be the guest soloist, and Capt. Maynard Velier will add a new note to the occasion, demonstrating flag swinging.

Works by composers such as Glinka, Palestrina, Rachmaninoff, Filmore, and Goldman form the program of the grand concert given in Alumni Gymnasium. University students, and visiting guests alike during these three days demonstrate through their mutual appreciation that—"Music is the universal language of mankind."
